

Tax Credit Information

Use the Arizona Public School Tax Credit! You can benefit yourself and Khalsa Montessori Students.

You can pay \$400 (\$200 if single) in state taxes to the Khalsa Montessori School in support of the Khalsa Elementary School Activity Fund. You need not be associated with the school to reap the benefits! The state allows your family to gift up to \$400 (\$200 if single) to any Arizona public school Activity Fund and take the amount gifted directly off your state income taxes. As a state charter school, the Khalsa Montessori School (KMS) qualifies for this credit.

Where will the money go?

The money will be spent to expand special learning, creative, and physical education activities for Khalsa Montessori School children. In the past years, the Khalsa Montessori Activity Fund has been used to purchase and maintain the school field trip van and purchase physical education equipment and art supplies. It has supported the creation of the KMS gardens, the building of two art rooms, and the increased number of weekly Spanish and Yoga Health classes, and allowed us to offer Activity Fee discounts for low income families.

If I donate \$400, can I actually save more than \$400 by saving on both my state and my federal tax returns?

Yes, every dollar gifted is taken directly off your state income tax bill or refunded back to you if you do not owe additional taxes. Then, you may also deduct your tax-deductible donation on your federal tax return reducing your federal taxes. You do save more than you give!
